

SUSHANT

BCA Student • Aspiring Python Developer & Web Developer

9911044527 • sushantbhat2008@gmail.com • Tilapta Karanwas, Greater Noida

PROFILE

Motivated BCA student looking for internship opportunities to gain practical experience, strengthen programming and web-development skills, and contribute positively to a professional team.

EDUCATION

Qualification	Institute	Board / University	Year
10th	S.S. Arya Public School	UP Board	2023
12th	Bhartiya Adarsh Inter College	UP Board	2025
BCA (Pursuing)	IIPPT	CCSU	2025–Present

TECHNICAL SKILLS

Python	Programming fundamentals
MySQL	Database fundamentals • SQL • Tables • Queries • CRUD concepts
Java	Core programming • OOP • Classes • Objects • Basic applications
HTML & CSS	Web page structure • Styling • Layout • Basic responsive design
JavaScript	Web scripting fundamentals • Variables • Functions • DOM basics
MS Office	Word • Excel • PowerPoint • Basic productivity & documentation

PROGRAMMING & DEVELOPMENT KNOWLEDGE

- **Python:** basic syntax, variables, conditions, loops, functions, collections and object-oriented programming concepts.
- **Java:** OOP concepts, classes, objects, methods, constructors and basic application development.
- **Web:** HTML structure, CSS styling and JavaScript fundamentals for interactive web pages.
- **MySQL:** relational database concepts and basic SQL operations such as creating, reading, updating and deleting data.

PROJECTS & PRACTICAL WORK

Portfolio Website

Designed a personal portfolio-style website to present profile information, skills and work in a clean web format.

Simple Calculator using Java

Created a basic calculator project to practice Java programming, operators, input handling and problem-solving.

Basic Web Pages using HTML & CSS

Built basic web pages to practice HTML page structure, CSS styling, spacing, layout and visual presentation.

CURRENT LEARNING FOCUS

- **Python Development:** Improving programming fundamentals, problem solving and practical coding skills.
- **Database Skills:** Learning MySQL and SQL concepts for storing, querying and managing application data.
- **Web Development:** Building stronger foundations in HTML, CSS and JavaScript through practical projects.
- **Software Development:** Understanding how programming, databases and web technologies work together in real applications.

I enjoy coding and experimenting with new technologies, while also spending time reading and playing cricket.

PORTFOLIO

Live Portfolio: <https://sushantbhati.github.io/>

STRENGTHS

- **Quick Learner:** Enjoys learning new tools and technologies and applying concepts through practice.
- **Teamwork:** Comfortable collaborating with others and contributing to group work.
- **Problem Solving:** Approaches programming tasks step-by-step and looks for practical solutions.
- **Good Communication:** Able to communicate ideas clearly and work positively with peers.

HOBBIES & INTERESTS

Coding • Reading • Cricket • Learning New Technologies

CAREER GOAL

To obtain an internship where I can apply my Python, MySQL, Java and web-development knowledge, learn from experienced professionals, and develop real-world software skills.

PROFESSIONAL SNAPSHOT

Profile	BCA student currently developing practical skills in programming, databases and web technologies.
Programming	Python and Java fundamentals with an interest in building practical applications.
Database	MySQL and basic SQL/database concepts.
Web	HTML, CSS and JavaScript fundamentals with basic web-development project experience.
Work Style	Quick learner, collaborative team member, problem solver and clear communicator.
Career Direction	Seeking internship opportunities to gain real-world exposure and grow as a software/web developer.

These interests help me stay curious, consistent and open to learning.

TECHNOLOGY TOOLKIT

Python	Programming / scripting
MySQL	Database / SQL
Java	Object-oriented programming
HTML	Web structure
CSS	Web styling
JavaScript	Web interactivity

MS Office	Productivity / documentation
-----------	------------------------------

PERSONAL INTERESTS

Coding • Reading • Cricket • Learning New Technologies
